**PLEASE COMPLETE ENTIRE ATTACHED PACKET**

Dear Patients / Families,

First, **welcome to my practice.** The following is to give a brief overview of the office.

My goal is to serve patients with consideration and respect. To allow my office staff to meet your needs, the answering service will take phone calls until:

**9:30am, from noon – 1pm after 3:30pm each business day.**

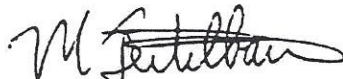

During the time the answering service is covering the telephones, only calls of an emergent nature will be received. These may include severe medication reactions, suicidal or homicidal feelings, psychotic symptoms, or a sudden extreme change in the patient's overall function. If it is felt that the situation requires emergent care prior to speaking to me, please go to the emergency room immediately to ensure safety of self and others. In addition, the answering service will take a message regarding an appointment confirmation or cancellation.

**Medication refill requests are not considered to be emergencies and must occur during regular business hours.** For refills requiring hard-copy prescriptions, please call or fax 5-7 days in advance to ensure timely reception. Let us know if you'd prefer to pick up the prescription directly.

**Cancellation policy:** As a courtesy my office makes every effort to call and remind you of your appointment two business days in advance. If you are unable to keep your appointment, one full (24 hours) business day's notice is required to avoid a cancellation charge. You may call or fax to accommodate any needs, including those about scheduling or clinical care.

I appreciate you giving me the opportunity to assist in the care of your family and /or you.

Sincerely,

Marshall Teitelbaum, M.D.
